20 Fun Mud Activities

1. **Mud Run-** Create an obstacle course for children to learn motor concepts such as over, under, high, etc.
2. **Mud Bogging-** Allow the children to explore the mud while riding a tricycle.
3. **Muddy Slip'N Slide**
4. **Mud Puddle Jumping**
5. **Mud Construction-** Provide the children with tools to create bricks and mortar, dig trenches, make a river bed, etc.
6. **Mud Café-** Anyone for mud pies or mud shakes!
7. **Mud Sculptures**
8. **Mud Painting**
9. **Mud Pit-** Using a baby pool filled with mud, allow the children to get in and explore the mud.
10. **Mud Animals-** Give the children the opportunity to get a little messy by acting like certain animals in the mud.
11. **Mud Treasure Hunt-** Create a list of items, then hide those items in the mud. The children will love digging for the hidden treasures.
12. **Mud Tag-** Moving in the mud will require children to use different muscles and experience different ways to reach their goal.
13. **Mud Throwing-** Hang a large canvas and have the children throw mud at it!
14. **Mud Surfing-** Place a large saucer shaped item in the middle of a mud puddle and see what happens!
15. **Muddy Toes-** Have the children take off their shoes and socks, turn on the music and allow them to dance and feel the mud between their toes!
16. **Mud Angels**
17. **Muddy Buddy-** See who can get the messiest!
18. **Mud Simon Says-** Stomp, slide, twist or walk!
19. **Mud Soccer**
20. **Mud Sliding-** Using a slide and a baby pool with mud, allow the children to slide into the pool of mud!
