MILK JUG

Example How-To Instructions

MATERIALS

- Clean milk jug
- Permanent marker
- Craft knife

Making a small shovel:

INSTRUCTIONS

1. Draw the shape of the scoop on the milk jug: a line across the jug handle, and around the bottom section under the jug handle.
2. Carefully cut along the lines you marked.

Making a scoop:

INSTRUCTIONS

1. Draw either a straight line or a diagonal line across the bottom of the milk jug.
2. Carefully cut along the lines you marked.

Tip: Always cut away from yourself.
