Chant #1

My hands upon my head I place
 On my shoulders, on my face.
 On my waist and at my side
 Behind my back then they will hide.
 And I will raise them to the sky
 And watch my fingers fly, fly, fly.
 Just clap your hands and 1-2-3
 See how quiet they can be.

Chant #2 (to Jingle Bells)

Clap your hands, stomp your feet, wiggle all around.
 Raise your hands high in the air,
 Reach down and touch the ground.
 Hold your head, hold your hips,
 Give yourself a hug (I love myself).
 Lie down flat upon the floor
 And... watch out for the bugs!
